Ms. Coulter was training physicians and consulting in homeopathy for over 20 years. She writes with elegance, charm and a lively appreciation of the arts, which illuminates her own clinical experience.

George Vithoulkas was born in Athens in 1932. He is married and lives on the island of Alonissos, Greece. He started studying homeopathy in South Africa in 1960 and he continued his studies in India in various homeopathic colleges. George Vithoulkas has been teaching Classical Homeopathy since 1967.

Dr. Prasanta Banerji inculcated the same prescription form as introduced by his father Dr. Pareshnath; modified and improved it into a concrete treatment form bringing lucidity and user friendliness in homeopathy. He standardized the techniques and medicinal applications for particular ailments with fixed ingredients and doses for the treatment of various diseases.
